◆ PROFESSIONAL SUMMARY

Senior regulatory and operations leader with a **decade** in India's GST & Customs administration, most recently as **Superintendent**. Led enforcement, compliance, import-export facilitation, stakeholder engagement, and digital transformation across Hyderabad Zone. **ISB MBA (April 2026)**, with focus on fintech product compliance, regulatory risk, governance, and regulated operations.

***Distinctive strength:** combining a regulator's judgment with a builder's instinct — translating regulatory intent into practical controls, product decisions, and operating processes.*

◆ EDUCATION

Indian School of Business (ISB) | PGP — MBA

Hyderabad | Apr 2025 – Apr 2026

Dual Majors: Information & Technology Management; Marketing | GRE: 327/340

- **Experiential learning project - Perfios:** Delivered competitive benchmarking (OneTrust, IDfy, Redacto), market segmentation, and a hybrid pricing recommendation for Perfios's **DPDPA Consent Manager** targeting the underserved BFSI mid-market.
- **Builder's instinct:** Independently conceived and prototyped 'SynaptiQ Mitra,' an **AI-enabled digital governance solution** addressing administrative redundancy and institutional memory loss in government departments. Recognised in ISB's I-Sprout programme for translating regulatory and operational insight into a product-led solution.
- **Elderly Care App** (academic, product development): Translated 25 user interviews into persona-driven design and a RICE-prioritised feature roadmap to deliver a pilot-ready MVP addressing isolation among 30M+ elderly Indians.

Chaitanya Bharati Institute of Technology | B.E., Electronics & Communications

Hyderabad | Sep 2007 – Jun 2011

◆ WORK EXPERIENCE

Central Board of Indirect Taxes & Customs (CBIC), Govt. of India

Hyderabad Zone | Dec 2015 – Apr 2025

Superintendent of GST & Customs (Gazetted Officer)

Directed large-scale governance and regulatory implementation projects across enforcement, digital transformation, and compliance by translating policy priorities into measurable outcomes through structured execution and stakeholder alignment.

Regulatory Implementation, Controls & Digital Transformation

- Implemented state-wide rollout of the **new Anti-Profitteering law** across Telangana — secured ~₹10M for the consumer welfare fund, developed SOPs, trained 500+ officers, and built stakeholder awareness.
- Saved **48,000 man-hours/year** by driving e-office workflow adoption for 200+ staff, eliminating physical file transfers and improving turnaround times across the zone.
- Reduced GST registration approval turnaround by **30% across 500+ applications** by setting process controls; proposed data-driven policy changes that minimised GST misuse (avg. ₹20M/case).
- Delivered **6 new offices in 75 days (vs. 180-day norm)** through multi-stakeholder alignment and parallel project management.
- **Trained 14 new recruits** over 360+ workdays through field immersion and live-case mentoring, building independent capability.

Regulatory Risk, Enforcement & Compliance Leadership

- Detected **~₹2.5B in tax fraud** across 350+ multi-party investigations through structured problem-solving, achieving **3x higher case efficiency** (5% litigation rate vs. 15% departmental average).
- Recovered **₹200M+ in revenue** by planning and executing 50+ search operations with an 80% success rate (vs. 60% average), while managing stakeholder resistance and making time-sensitive field decisions.
- Stewarded compliance for a **12,000+ enterprise tax portfolio**, securing **₹65B+ in tax revenues** (>5% above targets); mitigated >7% revenue leakage (~₹4.5B) using data analytics and pattern recognition.
- Disposed **90% of 200+ long-pending tax disputes (>3 years old) in 2 months** through case clustering, process re-engineering, and resource re-allocation.

External Representation, Trade Facilitation & Stakeholder Engagement

- Handpicked (1 of 350) to represent the GST department in **multi-agency taskforces (IT, DRI, Police, State Govt.)**; uncovered ₹150M+ in tax frauds through 10+ joint operations within 1 year.
- Supervised import-export clearances, streamlining **trade flows worth ₹500M/day**, improving avg. throughput by 2 hrs/day.
- **Resolved 200+ taxpayer grievances** and fostered voluntary compliance through 60+ outreach events with MSMEs and trade bodies.
- As **RTI Nodal Officer**, processed 150+ information requests 50% faster than statutory timelines, reinforcing institutional transparency.

Rasna Buzz QSR Franchise | Master Franchise Co-Owner

AP & Karnataka | Dec 2019 – Dec 2021

Entrepreneurial stint, concurrent with CBIC tenure | Business Strategy & Operations

- Acquired **Master Franchise Rights** and launched a retail outlet (₹8M total capital), owning P&L and end-to-end operations.
- Strategic pivot: realised ₹2M incremental revenue across 3 pilot regions by designing and launching a **low-cost franchise model**.
- Reduced operating costs by 10% through lean methods and cost optimization while maintaining quality standards.
- Exhibited financial prudence by making a **disciplined call to exit** when unit economics no longer supported continuation.

ADP Private Limited | Member Technical

Hyderabad | Aug 2011 – Apr 2012

- Delivered software modules under tight client deadlines; translated business requirements into process flows and POCs.
